Specialized Needs Recreation Mission Statement

Specialized Needs Recreation (SNR) believes that every individual can live a joyful, active and fulfilling life provided the opportunity. We organize and champion these opportunities for individuals with special needs in our community.

SNR WHAT'S HAPPENING

“THE NIGHT OF THE STARS” AT SILVERWOOD THEME PARK

On May 8th Silverwood Theme Park will once again be putting on a very special evening—Night of the Stars. This free night will include amusement rides, live entertainment, train rides and food. It will include one free ticket into the park as well as an additional ticket for one guest. If you are interested in participating in this fun filled event you can contact SNR to order your tickets. Only the STARS will need to sign a release of liability waiver form from Silverwood, not the guest they chose to accompany them. SNR will have a sign-up sheet and waiver forms if you are interested in going. SNR will be taking a group to Silverwood as well and if somebody wants to go but his/her parent, guardian or caregiver cannot attend they may be able to come with our group. Unfortunately, we will only be able to take a limited amount of individuals based on how many volunteers we can recruit for this night. If you are interested in volunteering please let me know ASAP so we can get you signed up as well. **The deadline to sign up and have waiver forms signed and returned to us is April 3rd, 2015. SNR will not be able to get tickets for other groups or organizations. If you do not participate in SNR activities we will not be able to get tickets for you. You must be an active member of our organization to be able to take advantage of this opportunity through our program.**
